§40-1-103. Declaration of state public policy.

DECLARATION OF STATE PUBLIC POLICY. As a guide to the interpretation and application of this act, the public policy of this state is declared to be as follows: Economic insecurity due to unemployment is a serious menace to the health, morals, and welfare of the people of this state. Unemployment is therefore a subject of general interest and concern which requires appropriate action by the Legislature to prevent its spread and to lighten its burden which now so often falls with crushing force upon the unemployed worker and his family. The achievement of social security requires protection against this greatest hazard of our economic life. This objective can be furthered by operating free public employment offices in affiliation with nationwide system of employment services, by devising appropriate methods for reducing the volume of unemployment and by the systematic accumulation of funds during periods of employment, thus maintaining purchasing power and limiting the serious social consequences of unemployment. The Legislature, therefore, declares that in its considered judgment the public good,

and the general welfare of the citizens of this state require the enactment of this measure, under the police power of the state for the establishment and maintenance of free public employment offices and for the compulsory setting aside of unemployment reserves to be used for the benefit of persons unemployed through no fault of their own.

The Legislature reserves the right to amend or repeal all or any part of the Employment Security Act at any time and there shall be no vested private right of any kind against such amendment or repeal. All the rights, privileges, or immunities conferred by the Employment Security Act, or by acts done pursuant thereto, shall exist subject to the power of the Legislature to amend or repeal the Employment Security Act at any time.

B. If any provision of the Employment Security Act necessary for certification for administrative grants under the Social Security Act or tax credits under the Federal Unemployment Tax Act are determined to be inconsistent with federal requirements by a delegate of the Secretary of Labor, the Commission, with the concurrence of the Oklahoma Attorney General, is authorized to administer such provisions consistently with federal requirements until the Legislature has an opportunity to enact appropriate legislation during its next regularly scheduled session.

§40-1-108. Indian tribes or tribal units - Benefits - Contributions or payments - Extended benefits - Delinquencies - No waiver of sovereign immunity.

A. The term "employer" shall include any Indian tribe for which service in employment is performed, as defined in the Employment Security Act of 1980.

B. The term "employment" shall include service performed in the employ of an Indian tribe, as defined in the Federal Unemployment Tax

Act (FUTA), 26 U.S.C., Section 3306(u), provided such service is excluded from "employment" as defined in FUTA solely by reason of 26 U.S.C., Section 3306(c)(7), and is not otherwise excluded from employment under the Employment Security Act of 1980. For purposes of this section, the exclusions from employment in subparagraphs (c) and (e) of paragraph (7) of Section 1-210 of this title shall be applicable to services performed in the employ of an Indian tribe.

C. The terms "Indian tribe" and "tribal unit" shall have the meanings ascribed to them in federal law. "Tribal unit" includes subdivisions, subsidiaries, and business enterprises wholly owned by an Indian tribe.

D. Benefits based on service in employment defined in this section shall be payable in the same amount, on the same terms, and subject to the same conditions as benefits payable on the basis of other service subject to the Employment Security Act of 1980, provided wages used to establish the claim were paid during a time in which the account of the Indian tribe for which services were rendered was not terminated pursuant to subparagraph a of paragraph 1 of subsection F of this section.

E. 1. An Indian tribe or tribal unit subject to the Employment Security Act of 1980 shall pay contributions under the same terms and conditions as required of nongovernmental employers for profit subject to the Employment Security Act of 1980 unless the tribe elects to pay into the State Unemployment Compensation Fund amounts equal to the amount of benefits attributable to service in the employ of the Indian tribe.

2. An Indian tribe or tribal unit electing to make payments in lieu of contributions shall so notify the Oklahoma Employment Security Commission in writing before the last day of January of the calendar year in which the tribe wishes to begin making reimbursement payments. If the Commission determines the Indian tribe is eligible to exercise its option, the Indian tribe shall be liable for reimbursement payments in lieu of contributions in the same manner and subject to the same provisions that apply to reimbursing nonprofit organizations as provided in Part 8 of Article 3 of the Employment Security Act of 1980, including formation of group accounts, and the proportionate allocation of benefit costs, except that one hundred percent (100%) of the extended benefits attributable to the Indian tribe shall be reimbursed. Indian tribes shall determine whether reimbursement for benefits paid shall be elected by the tribe as a whole, by individual tribal units, or by combinations of individual tribal units. If any provision contained in Part 8 of Article 3 of the Employment Security Act of 1980, including the administrative rules implementing that Part, contradicts a provision of this section, the provision of this section shall control.

3. An Indian tribe or tribal unit shall be billed for the full amount of benefits attributable to service in the employ of the

Indian tribe or tribal unit on the same schedule as other employing units that have elected to make payments in lieu of contributions.

- F. 1. a. If an Indian tribe or tribal unit thereof fails to file the required reports and pay all late filing penalties or fails to make required payments under the Employment Security Act of 1980, including payment of all interest, penalties, surcharges, or fees, a notice of reporting or payment delinquency shall be mailed to the Indian tribe at its last-known address. If the delinquency is not corrected within ninety (90) days of the date of mailing of the notice of delinquency, the account of the Indian tribe shall be terminated and notice of termination shall be mailed to the tribe at its last-known address, together with a statement of protest rights available pursuant to Section 3-115 of this title. If the account of an Indian tribe is terminated pursuant to this subparagraph, the Indian tribe shall not be considered an "employer" for purposes of subsection A of this section, and services performed for the Indian tribe shall not be considered "employment" for purposes of subsection B of this section.
 - b. The Oklahoma Employment Security Commission may reinstate the account of any Indian tribe that loses coverage under subparagraph a of this subsection if the tribe pays all contributions, payments in lieu of contributions, interest, penalties, surcharges, and fees that are due and owing. Upon reinstatement, the tribe shall again be considered an "employer" for purposes of subsection A of this section and services performed for the tribe shall again be considered "employment" for purposes of subsection B of this section.
2. a. Failure of an Indian tribe or tribal unit to make required payments, including assessments of interest, penalties, surcharges, and fees within ninety (90) days of the due date for payment shall cause the Indian tribe to lose the option to make payments in lieu of contributions, as described in subsection E of this section, for the following tax year unless payment in full is received before January 31 of the next tax year.
 - b. Any Indian tribe that loses the option to make payments in lieu of contributions due to late payment or nonpayment, as described in subparagraph a of this paragraph, shall have the option reinstated if, after a period of one (1) year, all contribution payments have

been timely made, provided no contributions, payments in lieu of contributions for benefits paid, interest, penalties, surcharges, or fees remain outstanding.

G. The notice of payment or reporting delinquency to Indian tribes or their tribal units, referred to in subparagraph a of paragraph 1 of subsection F of this section, shall include information that failure to make full payment and file required reports within the prescribed time frame shall cause:

1. The Indian tribe to be liable for taxes under FUTA;
2. The Indian tribe to lose the option to make payments in lieu of contributions;
3. The Indian tribe to be excepted from the definition of "employer", as provided in subsection A of this section; and
4. Services performed in the employ of the Indian tribe to be excepted from the definition of "employment", as provided in subsection B of this section.

H. Extended benefits paid that are attributable to service in the employ of an Indian tribe and not reimbursed by the United States government shall be financed in their entirety by the Indian tribe.

I. If an Indian tribe fails to make required payments under the Employment Security Act of 1980, including the payment of all interest, penalties, surcharges, and fees, within ninety (90) days of the mailing of the notice of payment delinquency, the Oklahoma Employment Security Commission shall immediately notify the United States Internal Revenue Service and the United States Department of Labor.

J. The provisions of subsections K and L of this section shall provide a transition for the implementation of Section 166 of Public Law 106-554 enacted by the Congress of the United States and effective December 21, 2000, so that Indian tribes may qualify for federal tax credits and employees of Indian tribes may be eligible for benefits.

K. Any Indian tribe which did not have an active account with the Oklahoma Employment Security Commission from January 1, 2001, to the effective date of this section, but which desires to be covered for benefits for that period of time, may elect to be subject to one of the following, if the tribe notifies the Commission of the election in writing:

1. To pay contributions. If the tribe elects to make payments for contributions, interest or penalties shall not be assessed against such tribe for the period from January 1, 2001, to the effective date of this section if full payment for all contributions due is made within twenty (20) days after an account is established for the tribe; or
2. To make payments in lieu of contributions. If the tribe elects to make payments in lieu of contributions, interest or

penalties shall not be assessed against such tribe for the period from January 1, 2001, to the effective date of this section if all reports that are due for that period are filed within twenty (20) days after an account is established for the tribe.

L. Any Indian tribe which did not have an active account with the Oklahoma Employment Security Commission from January 1, 2001, to the effective date of this section and does not desire to be covered for benefits for that period shall be covered by the provisions of subsections A through I of this section. The coverage for any such tribe shall be prospective only and shall not entitle any employee of the tribe to benefits for any period prior to the effective date of this section.

M. Indian tribes paying contributions prior to the date of this section shall not be able to make an election to make payments in lieu of contributions for the period from January 1, 2001, to the effective date of this section. Any change in election shall be prospective only.

N. Participation by any Indian tribe in the state unemployment insurance system shall not operate as a waiver of the sovereign immunity of the tribe.

§40-1-109. Unemployment benefits impact study.

If a proposed new law or amendment to an existing law will have the effect of expanding unemployment benefits available to unemployment benefit claimants, the Oklahoma Employment Security Commission shall study the fiscal impact the benefit expansion will have upon Oklahoma's Unemployment Trust Fund established pursuant to 42 U.S.C., Section 1104. The impact study shall be presented to each house of the Legislature before the final vote on the bill containing the provision and shall be sent to the Governor before final approval of the bill containing the provision.

Such individual who is involuntarily unemployed and otherwise eligible for benefits and who offers to quit school, adjust class hours or change shifts in order to secure employment shall be entitled to benefits.

1. Taxable wages of any amount; and
2. Total wages equal to or more than the annual amount of taxable wages that applies to any calendar year in which the claim for unemployment benefits was filed.

C. 1. If an individual lacks sufficient base period wages to establish a claim for benefits under this section, any wages paid in the individual's alternative base period shall be considered as the individual's base period wages. Once the alternative base period wages are determined, those wage figures shall be used to determine eligibility for benefits under subsection A or B of this section.

2. If the Commission has not received wage information from the individual's employer for the most recent calendar quarter of the alternative base period, the Commission shall accept an affidavit from the individual supported by wage information such as check stubs, deposit slips, or other supporting documentation to determine wages paid.

3. A determination of benefits based on an alternative base period shall be adjusted when the quarterly wage report is received from the employer, if the wage information in the report differs from that reported by the individual.

4. If alternative base period wages are established by affidavit of the individual, the employer to which the wages are attributed will have the right to protest the wages reported. If a protest is made, the employer must provide documentary evidence of wages paid to the individual. The Commission will determine the wages paid based on the preponderance of the evidence presented by each party.

5. Provided, no wages used to establish a claim under an alternative base period shall be subsequently used to establish a second benefit year.

(2) Any data or information required of individuals applying for benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all applicants for benefits.

(3) In the case of an individual whose application for benefits would otherwise be approved, no determination that benefits to such individual are not payable because of his alien status shall be made except upon a preponderance of the evidence.

(3) With respect to any services described in paragraphs (1) and (2) of this section, benefits shall not be payable on the basis of services in any capacities to any individual for any week which commences during an established and customary vacation period or holiday recess if the individual performs services in the period immediately before the vacation period or holiday recess, and there is a reasonable assurance that the individual will perform services in any such capacity in the period immediately following the vacation period or holiday recess;

After a determination has been made that an individual has violated Section 5-102 of this title in a particular benefit year, if the Commission determines that another violation of that section has occurred in any subsequent benefit year, the individual shall be ineligible to receive unemployment compensation for the week in which the subsequent determination is made by the Commission and for the next following one hundred three (103) weeks, and no benefit year shall be established during such period of ineligibility.

C. The ineligibility and disqualification set forth in subsections A and B of this section are in addition to the penalty provided by Section 5-102 of this title, and shall be invoked irrespective of whether such individual is prosecuted for violation of Section 5-102 of this title, when the Commission makes such a determination of ineligibility or disqualification.

The Oklahoma Employment Security Commission shall establish and utilize a system of Re-employment Services and Eligibility Assessment selection for all ex-military service claimants and for unemployment benefit claimants who will be likely to exhaust unemployment benefits and who will need job-search assistance services to make a successful transition to new employment. Any claimant who has been referred to re-employment services pursuant to the selection system and who fails to participate in the re-employment services made available to the claimant, shall be disqualified to receive benefits for each week in which the failure occurs, unless the Commission determines that:

§40-2-422. Seasonal workers and employers.

A. Unemployment benefits based on services by a seasonal worker performed in seasonal employment are payable only for weeks of unemployment that occur during the normal seasonal work period. Benefits shall not be paid based on services performed in seasonal employment for any week of unemployment that begins during the period between two (2) successive normal seasonal work periods to any individual if that individual performs the service in the first of the normal seasonal work periods and if there is a reasonable assurance that the individual will perform the service for a seasonal employer in the second of the normal seasonal work periods. The notice of reasonable assurance shall be given by the employer to the employee in writing on or before the last day of work in the season. If benefits are denied to an individual for any week solely as a result of this section and the individual is not offered an opportunity to perform in the second normal seasonal work period for which reasonable assurance of employment had been given, the individual is entitled to a retroactive payment of benefits under

this section for each week that the individual previously filed a timely claim for benefits. An individual may apply for any retroactive benefits under this section in accordance with the provisions of Article 2 of the Employment Security Act of 1980.

B. Not less than twenty (20) days before the estimated beginning date of a normal seasonal work period, an employer may apply to the Commission in writing for designation as a seasonal employer. At the time of application, the employer shall conspicuously display a copy of the application on the employer's premises. Within ninety (90) days after receipt of the application, the Commission shall determine if the employer is a seasonal employer. The employer may appeal this decision pursuant to the provisions of Section 3-115 of Title 40 of the Oklahoma Statutes. A determination of the Commission concerning the status of an employer as a seasonal employer, or the decision of the Assessment Board or a court of this state through the administrative appeal process, which has become final, may be introduced in any proceeding involving a claim for benefits, and the facts found and decision issued in the determination or decision shall be conclusive unless substantial evidence to the contrary is introduced by or on behalf of the claimant.

C. If the employer is determined to be a seasonal employer, the employer shall give notice to each employee of the employer's status as a seasonal employer and the beginning and ending dates of the employer's normal seasonal work periods, and this notice shall be given to the employee within the first seven (7) days of employment. On or before the last day of work in the season, if the employer intends to issue a notice of reasonable assurance of employment for the next season, the employer shall also give notice to each employee advising that the employee shall timely file an initial application for unemployment benefits at the end of the current seasonal work period and file timely weekly continued claims thereafter to preserve his or her right to receive retroactive unemployment benefits if he or she is not reemployed by the seasonal employer in the subsequent normal seasonal work period. The notices must be on a separate document written in clear and concise language that states these provisions. Failure of the employer to give adequate notice as required by this subsection will result in the termination of the employer as a seasonal employer under subsection D of this section.

D. The Commission may issue a determination terminating an employer's status as a seasonal employer on the Commission's own motion for good cause, or upon the written request of the employer. The effective date of a termination determination under this subsection shall be set by the Commission. A determination under this subsection may be appealed pursuant to the provisions of Section 3-115 of Title 40 of the Oklahoma Statutes.

E. An employer whose status as a seasonal employer is terminated under subsection D of this section shall not reapply for a seasonal

employer status determination until after a regularly recurring normal seasonal work period has begun and ended.

F. If a seasonal employer informs an employee who received assurance of being rehired that, despite the assurance, the employee will not be rehired at the beginning of the employer's next normal seasonal work period, this section does not prevent the employee from receiving unemployment benefits in the same manner and to the same extent he or she would receive benefits under the Employment Security Act of 1980 from an employer who has not been determined to be a seasonal employer.

G. A successor of a seasonal employer is considered to be a seasonal employer unless the successor provides the Commission, within one hundred twenty (120) days after the transfer, with a written request for termination of its status as a seasonal employer in accordance with subsection D of this section.

H. At the time an employee is hired by a seasonal employer, the employer shall notify the employee in writing if the employee will be a seasonal worker. The employer shall provide the worker with written notice of any subsequent change in the employee's status as a seasonal worker. If an employee of a seasonal employer is denied benefits because that employee is a seasonal worker, the employee may contest that designation by filing an appeal pursuant to the provisions of Part 6 of Article 2 of the Employment Security Act of 1980.

I. As used in this section:

1. "Construction industry" means the work activity designated in Sector Group 23 - Construction of the North American Industrial Classification System published by the Executive Office of the President, Office of Management and Budget, 2012 edition;

2. "Normal seasonal work period" means that period, or those periods, of time during which an individual is employed in seasonal employment, as determined by the Commission;

The required fifteen (15) working days are not required to be consecutive. Provided, that promptly after the Commission is notified of the claimant's separation from an employment obtained by a claimant during a continued claim series, the Commission shall give written notice of the claim to the last separating employer. Notices to separating employers during a continued claim series will be given to the last employer in the claim week without regard to length of employment. Each notice shall contain an admonition that failure to respond to the notice could affect the employer's tax rate.

C. Promptly after the claim is paid for the fifth week of benefits the Commission shall give written notice of the claim to all other employers of the claimant during the claimant's base period. The notice will be given pursuant to Section 3-106 of this title.

D. Notices shall be deemed given when the Commission deposits the same in the United States mail addressed to the employer's last-known address. Notice shall be presumed prima facie to have been given to the employer to whom addressed on the date stated in the written notice. If the employer has elected to be notified by electronic means according to procedures set out in Oklahoma Employment Security Commission rules, notice shall be deemed to be

given when the Commission transmits the notification by electronic means.

E. Within ten (10) days after the date on the notice or the date of the postmark on the envelope in which the notice was sent, whichever is later, an employer may file with the Commission at the address prescribed in the notice written objections to the claim setting forth specifically the facts which:

1. Make the claimant ineligible for benefits under Sections 2-201 through 2-210 of this title;
2. Disqualify the claimant from benefits under Sections 2-401 through 2-417 and 2-419 of this title; or

B. An employer may file a statement of objections to the claim of a former employee at any time from the moment of discharge or separation from employment of the employee until the expiration of the ten-day time period set out in subsection E of Section 2-503 of Title 40 of the Oklahoma Statutes. §40-2-504. Determinations of benefits.

DETERMINATIONS OF BENEFITS. A determination upon a claim for benefits shall be made promptly by a representative of the Commission. It shall include a statement as to whether and in what amount claimant is entitled to benefits for the week with respect to which the determination is made. In the event the claimant is determined to be ineligible for or disqualified from benefits under Part 2 or Part 4 of this Article the determination shall state the reasons therefor. The initial determination in a benefit year shall include a statement as to whether the claimant has been paid the wages required under this act, and if so, the beginning and ending dates of the benefit year, the weekly benefit amount, and the maximum total amount of benefits payable to him with respect to such benefit year.

Added by Laws 1980, c. 323, § 2-504, eff. July 1, 1980.

§40-2-505. Determinations in labor dispute cases.

DETERMINATIONS IN LABOR DISPUTE CASES. Whenever any claim involves the application of the provisions of Section 2-410, the representative of the Commission first considering the claim shall, if so directed by the Commission, promptly transmit such claim and all filed objections thereto to an appeal tribunal which shall make a determination upon the issues involved under that section. Such appeal tribunal shall make the determination thereon after affording the claimant and each employer who filed an objection an opportunity for a hearing in accordance with the provisions of this section with respect to hearings and determinations of appeal tribunals. The parties shall be promptly notified of the determination, together with the reasons therefor. Such determination shall be the final decision on the claim, unless, within ten (10) days after the mailing of notice to a party's last-known address, appeal is filed with the Board of Review.

Added by Laws 1980, c. 323, § 2-505, eff. July 1, 1980. Amended by Laws 1981, c. 259, § 10, emerg. eff. June 25, 1981.

§40-2-506. Redeterminations.

REDETERMINATIONS.

The Oklahoma Employment Security Commission may reconsider a determination only when it finds that an error in computation or identity has occurred in connection therewith, or that wages of the claimant pertinent to such determination, but not considered in connection therewith, have been newly determined, or that reimbursed pay or back pay was received by a claimant under circumstances that would reduce the amount of benefits drawn, or that benefits have been allowed or denied or the amount of benefits fixed on the basis of misrepresentation or mistake of material facts, but no such redetermination shall be made after the expiration of the benefit year established by the initial determination, except that a determination made because of a false statement or representation or failure to disclose a material fact in violation of Section 5-102 or 5-103 of this title may be redetermined within two (2) years from the date of such false statement or representation or failure to disclose. Notice of any such redetermination shall be promptly given to the parties entitled to notice of the original determination, in the manner prescribed in the Employment Security Act of 1980 with respect to notice of an original determination. If the amount of benefits is increased upon such redetermination, an appeal therefrom solely with respect to the matters involved in such increase may be filed in the manner and subject to the limitations provided in Part 5 of Article 2 of the Employment Security Act of 1980. If the amount of benefits is decreased upon such redetermination, the matters involved in such decrease shall be subject to review in connection with an appeal by claimant from any determination upon a subsequent claim for benefits which may be affected in amount or duration by such redetermination. Subject to the same limitations and for the same reasons, the Commission may reconsider the determination in any case in which the final decision has been rendered by an appeal tribunal, the Board of Review or a court, and may apply to the body or court which rendered such final decision to issue a revised decision. In the event that an appeal involving an original determination is pending as of the date a redetermination thereof is issued, such appeal, unless withdrawn, shall be treated as an appeal from such redetermination.

§40-2-507. Notice of determinations.

NOTICE OF DETERMINATIONS.

Notice of a determination upon a claim shall be given promptly to the claimant by delivery thereof or by mailing the notice to the claimant's last-known address or by electronic means if the claimant elected this form of notification through procedures set out by Oklahoma Employment Security Commission rules. Notice of a determination shall also be given promptly to the last employer of the claimant, for whom the claimant worked at least fifteen (15) working days, that objected to the claim in accordance with the provisions of subsection E of Section 2-503 of this title and to each other employer who timely filed a written objection to the claim. If the employer has elected to be notified by electronic means according to procedures set out in Oklahoma Employment Security Commission rules, notice shall be deemed to be given when the Commission transmits the notification by electronic means.

The appeal referee to whom the appeal is assigned, after affording the parties reasonable opportunity for a fair hearing, shall make findings and conclusions, and on the basis thereof affirm, modify, or reverse such determination; provided, however, that whenever an appeal involves a question as to whether services were performed by claimant in employment or for an employer, or as to amount of wages reported by an employer for claimant, the tribunal referee shall give special notice of such issue and of the pendency of the appeal by mail to the employer and to the Commission, both of whom shall thenceforth be parties to the proceeding and be afforded a reasonable opportunity to adduce evidence bearing on such questions; provided, that any party who enters an appearance before the tribunal referee waives the requirement of special notice by mail.

Added by Laws 1980, c. 323, § 2-604, eff. Oct. 1, 1980.

§40-2-605. Notice of referee decision.

The parties shall be promptly notified of such referee's decision and shall be furnished with a copy of the decision, including the findings and conclusions in support thereof. Such decision shall be final unless, within ten (10) days after the date of mailing of notice thereof to the parties' last-known addresses, or, in the absence of such mailing, within ten (10) days after the delivery of such notice, further review before the Board of Review is initiated pursuant to Section 2-606 of this title.

The Board of Review shall review the record of an appeal filed by any of the parties entitled to notice on a determination of an appeal tribunal referee. An appeal to the Board of Review may be filed in any manner allowed by Section 1-224 of this title. On appeal, the Board of Review may affirm, modify, reverse, or remand any decision

of an appeal tribunal referee on the basis of evidence previously submitted, or on the basis of additional evidence received by an appeal tribunal referee on remand. The Board of Review shall promptly notify the parties of its decision in writing, and the decision shall be final unless within thirty (30) days after the mailing of the decision to the parties' last-known addresses, a proceeding for judicial review is initiated pursuant to Section 2-610 of this title.

§40-2-607. Rules and procedures in appeals.

RULES AND PROCEDURES IN APPEALS.

The Board of Review shall adopt reasonable rules governing the manner of filing appeals and the conduct of hearings and appeals before the Board of Review, consistent with the provisions of the Employment Security Act of 1980. The Oklahoma Employment Security Commission shall adopt and, from time to time, may modify and amend rules governing appeals before the Appeal Tribunal of the Commission and its referees. The Oklahoma Employment Security Commission shall create and maintain a precedent manual to reflect current statutes and statutory changes along with current case law that is applicable to questions of law which may arise during hearing or appeals. The precedent manual shall be updated by the Commission within thirty (30) days of the effective date of any statutory changes and shall be available at the offices of the Commission and on any Internet website maintained by the Commission. When the same or substantially similar evidence is relevant and material to the matters in issue in claims by more than one individual or in claims by a single individual with respect to two (2) or more weeks of unemployment, the same time and place for considering each such claim may be fixed, hearings thereon jointly conducted, a single record of the proceedings made, and evidence introduced with respect to one proceeding considered as introduced in the others, provided that in the judgment of the appeal tribunal referee having jurisdiction of the proceeding, such consolidation would not be prejudicial to any party. No person shall participate as an appeal tribunal referee or member of the Board of Review on any case in which the person has a personal interest. A record shall be kept of all testimony and proceedings before an appeal tribunal referee, but the testimony need not be transcribed unless judicial review is initiated. Witnesses subpoenaed pursuant to this section shall be allowed fees at a rate fixed by the Commission, and fees of witnesses subpoenaed on behalf of the Commission, the employer, or any claimant, shall be deemed

part of the expense of administering the Employment Security Act of 1980.

§40-2-608. Conclusiveness of determinations and decisions.

CONCLUSIVENESS OF DETERMINATIONS AND DECISIONS.

Except insofar as reconsideration of any determination is had under Section 2-506 of this title, any right, fact, or matter in issue, directly passed upon or necessarily involved in a determination or redetermination which has become final, or in a decision on appeal under this subsection which has become final, shall be conclusive for all the purposes of this act as between the Commission, the claimant, and all employers who had notice of such determination, redetermination, or decision. Subject to appeal proceedings and judicial review as provided in this title, any determination, redetermination or decision as to rights to benefits shall be conclusive for all the purposes of this act and shall not be subject to collateral attack by any party.

§40-2-609. Rule of decision.

RULE OF DECISION.

A final decision of the Board of Review and the principles of law declared in arriving at such decision, unless expressly or impliedly overruled by the passage of a more recent statute, by a later decision of the Board of Review, or by a court of competent jurisdiction, shall be binding upon the Commission and Appeal Tribunal referees in subsequent proceedings which involve the same questions of law or fact. In no event shall a decision of the Board of Review, or by a court of competent jurisdiction, decided prior to a change in law by the Legislature supersede or be binding upon the Commission, Appeal Tribunal referees, Board of Review, or any court of competent jurisdiction in proceedings subsequent to the passage of statutory changes.

§40-2-610. Judicial review.

JUDICIAL REVIEW.

A. Within the thirty (30) days after the day a notice of decision of the Board of Review is mailed to the parties, the

Oklahoma Employment Security Commission, or any party to the proceedings before the Board of Review, may obtain judicial review by filing in the district court of the county in which the claimant resides, or if the claimant is not a resident of the State of Oklahoma then in the District Court of Oklahoma County, a petition for review of the decision of the Board of Review. The petition for review shall set out the names of all codefendants in the style of the case, which shall include:

1. The Board of Review;
2. The Oklahoma Employment Security Commission; and
3. All other parties to the proceeding before the Board of

Review.

The petition for review need not be verified but shall state specifically the grounds upon which the review is sought. A copy of the petition for review shall be served upon the Board of Review at its official address and the petitioner shall also deliver to the Board of Review as many copies of the petition as there are defendants. The Board of Review shall send to each party to the proceeding a copy of the petition by mail, and the mailing shall be deemed to be service upon all the parties. In any proceeding under this section the findings of the Board of Review as to the facts, if supported by evidence, shall be conclusive and the jurisdiction of the court shall be confined to questions of law. No additional evidence shall be received by the court, but the court may remand the case and order additional evidence to be taken by the Appeal Tribunal of the Oklahoma Employment Security Commission.

B. Within sixty (60) days of the date of service of the petition on the Board of Review, the Board of Review shall file with the court a certified copy of the record of the case, including all documents and papers properly admitted into evidence and a transcript of all testimony taken in the matter, together with the Board of Review's findings, conclusions, and decision.

C. The proceedings shall be heard in a summary manner and shall be given precedence over all other civil cases. An appeal may be taken from the decision of the district court to the Supreme Court of this state in the same manner as is provided in other civil cases. It shall not be necessary as a condition precedent to judicial review of any decision of the Board of Review to enter exceptions to the rulings of the Board, and no bond shall be required as a condition of initiating a proceeding for judicial review or entering an appeal from the decision of the court. Upon the final termination of the judicial proceeding, the Board of Review shall enter an order in accordance with the mandate of the district or appellate court. Added by Laws 1980, c. 323, § 2-610, eff. Oct. 1, 1980. Amended by Laws 2006, c. 176, § 10, eff. July 1, 2006; Laws 2008, c. 132, § 9, eff. Nov. 1, 2008; Laws 2011, c. 256, § 9.

§40-2-610.1. Conclusiveness of proceedings.

Any findings of fact or law, judgment, conclusion or final order made by the Oklahoma Employment Security Commission, its referees, the Appeal Tribunal or Board of Review in an unemployment insurance proceeding shall not be conclusive or binding in any separate or subsequent action or proceeding, and shall not be used as evidence in any separate or subsequent action or proceeding, between an individual and his or her present or prior employer in any other forum regardless of whether or not the prior action was between the same or related parties or involved the same facts.

Added by Laws 1991, c. 295, § 2, eff. Sept. 1, 1991. Renumbered from § 2-610A of this title by Laws 2006, c. 176, § 29, eff. July 1, 2006.

§40-2-611. Commission is a party.

COMMISSION IS A PARTY. The Commission shall be a party to and entitled to notice in any proceeding involving a claim for benefits before a referee or the Board of Review. In any proceeding for judicial review the Commission may be represented by any attorney employed by the Commission or designated by it for that purpose or, at the Commission's request, by the Attorney General.

Added by Laws 1980, c. 323, § 2-611, eff. Oct. 1, 1980.

§40-2-612. Payment of benefits.

PAYMENT OF BENEFITS.

Benefits shall be promptly paid on any claim in accordance with a determination or redetermination or the decision of a referee, the Board of Review or a reviewing court upon the issuance of the determination, redetermination or decision, regardless of the pendency of an appeal, or petition for judicial review that is provided by the Employment Security Act of 1980, unless and until the determination, redetermination, or decision has been modified or reversed by a subsequent redetermination or decision, in which event benefits shall be paid or denied for weeks of unemployment thereafter in accordance with the modifying or reversing redetermination or decision. No injunction, supersedeas, stay or other writ or process suspending the payment of the benefits shall be issued by any court, but if the determination, redetermination or decision is finally modified or reversed to deny benefits no employer's account shall remain charged with benefit wages pursuant to the erroneous determination, redetermination or decision and benefits shall not be paid for any weeks of unemployment involved in the modification or reversal that begin after the final decision.

Added by Laws 1980, c. 323, § 2-612, eff. Oct. 1, 1980. Amended by Laws 2011, c. 256, § 10.

§40-2-613. Benefit overpayments.

BENEFIT OVERPAYMENTS.

An overpayment of unemployment benefits shall be classified in one of three ways with recovery and recoupment to be conducted as follows:

1. Fraud overpayment: in which an individual intentionally makes a false statement or representation or fails to disclose a material fact, and has received any sum as benefits to which the individual was not entitled. The individual shall be liable to repay this sum, plus a penalty of twenty-five percent (25%) of the amount of the original overpayment and interest at the rate of one percent (1%) per month on the unpaid balance of the overpayment, to the Oklahoma Employment Security Commission. Three-fifths (3/5) of the penalty amount collected shall be deposited in the Unemployment Trust Fund for the State of Oklahoma and the remaining two-fifths (2/5) shall be deposited in the Oklahoma Employment Security Commission Revolving Fund. The interest shall cease to accrue when the total accrued interest equals the amount of the overpayment. If an overpayment is modified, the interest shall cease to accrue when the total accrued interest equals the amount of the modified overpayment. The Commission shall deduct the principal sum from any future benefits payable to the individual;

2. Claimant error overpayment: in which an individual, by mistake of law or fact, makes a false statement or representation or fails to disclose a material fact and has received any sum as benefits to which the individual was not entitled. The individual shall be liable to repay this sum, plus interest at the rate of one percent (1%) per month on the unpaid balance of the overpayment, to the Commission. The interest shall cease to accrue when the total accrued interest equals the amount of the overpayment. If an overpayment is modified, the interest shall cease to accrue when the total accrued interest equals the amount of the modified overpayment. The Commission shall deduct the principal sum from any future benefits payable to the individual; or

3. Administrative overpayment - in which:

- a. an individual has received any sum as benefits under the Employment Security Act of 1980 due to an error by the Commission or an employer, or
- b. an individual has received benefits and the decision to grant benefits was reversed at a higher level of appeal.

The individual shall be liable to have this sum deducted from any future benefits payable to the individual with respect to the benefit year current at the time of the receipt and the next subsequent benefit year that begins within one (1) year after the expiration of the benefit year current at the time of the receipt. No interest

shall accrue on administrative overpayments. An individual may voluntarily repay an administrative overpayment with private funds. Added by Laws 1980, c. 323, § 2-613, eff. Oct. 1, 1980. Amended by Laws 1981, c. 259, § 12, emerg. eff. June 25, 1981; Laws 1986, c. 205, § 5, emerg. eff. June 6, 1986; Laws 1987, c. 10, § 2, emerg. eff. March 31, 1987; Laws 1992, c. 318, § 1, eff. §40-2-614. Waiver of appeal time.

WAIVER OF APPEAL TIME.

All time periods provided for appeals pursuant to the provisions of Article 2 of the Employment Security Act of 1980 may be waived for good cause shown up to one (1) year after the date of the determination or redetermination; provided, this waiver shall not apply to appeals to district court of decisions of the Board of Review.

Added by Laws 1983, c. 270, § 7, emerg. eff. June 23, 1983. Amended by Laws 1992, c. 318, § 2, eff. July 1, 1992; Laws 2003, c. 177, § 4, eff. Nov. 1, 2003; Laws 2019, c. 251, § 6, eff. July 1, 2019.

§40-2-615. Waiver of interest.

Any interest, or any portion thereof, that accrues pursuant to the provisions of Section 2-613 of Title 40 of the Oklahoma Statutes, may be waived by the Oklahoma Employment Security Commission provided the failure of the claimant to remit payment at the time a determination of overpayment was made:

1. Is explained to the satisfaction of the Commission;
2. Resulted from a mistake by the claimant of either the law or the facts concerning the repayment of overpayment benefits; or
3. Was caused by insolvency of the claimant.

No waiver of interest shall be granted unless a request for waiver is filed with the Commission within a three-year period from the date the interest accrued. No waiver of interest shall be granted to a claimant if it is determined that the claimant received an overpayment of benefits through fraud.

Added by Laws 2002, c. 452, § 14, eff. Nov. 1, 2002.

§40-2-616. Notice of overpayment determination.

NOTICE OF OVERPAYMENT DETERMINATION.

If the Oklahoma Employment Security Commission or its representative determines that an individual has been overpaid unemployment benefits pursuant to Section 2-613 of this title, the individual shall be sent a notice of overpayment determination. If the individual disagrees with this determination, the individual may

file an appeal of the determination with the Appeal Tribunal within twenty (20) days after the date of the mailing of the notice to the individual's last-known address or, if the notice is not mailed, within twenty (20) days after the date of the delivery of the notice. If the individual fails to appeal the determination within the time provided, without good cause, then the determination will be deemed final and no further appeal shall be allowed.

Added by Laws 2002, c. 452, § 15, eff. Nov. 1, 2002. Amended by Laws 2011, c. 256, § 11; Laws 2013, c. 71, § 7, eff. Nov. 1, 2013.

§40-2-617. Warrant of levy and lien.

WARRANT OF LEVY AND LIEN.

A. If the notice of overpayment determination issued pursuant to Section 2-616 of this title becomes final due to a lack of appeal or if the determination is affirmed on appeal, and if the amount due is not paid within ninety (90) days of the date that the determination becomes final, then the Oklahoma Employment Security Commission may issue a warrant of levy and lien under its official seal, which shall state the name and Social Security number of the debtor and list the amount of indebtedness with interest. The warrant of levy and lien shall be for all purposes the equivalent of a judgment of a court of record.

B. The Commission may file a copy of the warrant of levy and lien with the county clerk of the county or counties in which the individual has property and thereupon the county clerk shall index the warrant of levy and lien in the same manner as judgments using the name of the individual named in the warrant of levy and lien, indicating that it is due to an overpayment of unemployment insurance benefits, showing the amount due with interest, the date upon which the warrant of levy and lien was filed, and shall index the warrant of levy and lien against the real property described therein, if any is described. If the county clerk charges a fee for the filing of the warrant of levy and lien, the Commission may add the amount of the fee to the indebtedness owing by the individual named in the warrant of levy and lien.

C. The filing of the notice in the office of the county clerk of the county in which the individual resides shall constitute and be evidence and notice of the state's lien upon the title to any interest in any real or personal property of the individual named in the notice. The lien shall be in addition to any and all other liens existing in favor of the state to secure the payment of any unpaid indebtedness, interest, penalty, fees and costs, and the lien shall be paramount and superior to all other liens of whatsoever kind or character, attaching to any of the property subsequent to the date of the recording and shall be in addition to any other lien provided for in this act. This lien shall be permanent and continuing without any requirement for executions under Section 735 of Title 12 of the

Oklahoma Statutes or any other similar statute. This lien shall continue on personal property of the individual until the amount of the indebtedness, interest, fees and costs are paid. This lien shall continue on real property until released by payment or for a maximum of ten (10) years after the date of its filing.

D. The Commission may file a copy of the notice with the court clerk in the county in which the individual is employed or resides, and it shall be filed in the same manner as a judgment of a court of record for the purpose of pursuing any post-judgment collection procedure that is deemed appropriate. The Commission may send the notice to the sheriff in a county in which the individual owns real or personal property for execution. Upon receiving the notice, the sheriff shall proceed to execute the notice in all respects and with like effect and in same manner prescribed by law in respect to executions against property upon judgment of the court of record; and the sheriff shall execute and deliver to the purchaser a bill of sale or deed, as the case may be. Any purchaser, other than the state, shall be entitled, upon application to the court having jurisdiction of the property, to have confirmation (the procedure for which shall be the same as is now provided for the confirmation of a sale under execution) of the sale prior to the issuance of a bill of sale or deed. The state shall be authorized to make bids at any such sale to the amount of indebtedness, interest, costs, and fees accrued. In the event the bid of the state is successful, the sheriff shall issue a proper muniment of title to the Commission, and the Commission shall hold the title for the use and benefit of the state. The state may sell any property obtained in this manner through the procedures available for the sale of excess property of the state. Any money received by the Commission through the sale of property in this manner shall be credited against the indebtedness of the individual. The sheriff shall be entitled to the same fee for executing the notice as the sheriff would be entitled to receive if executing an execution issued by the court clerk of the county upon a judgment of a court of record.

Added by Laws 2002, c. 452, § 16, eff. Nov. 1, 2002. Amended by Laws 2016, c. 287, § 7, eff. Nov. 1, 2016.

3. "Debtor" means any person that is the subject of a warrant of levy and lien issued pursuant to Section 2-617 of this title;

4. "Earnings" means any form of payment to an individual including, but not limited to, salary, wages, commission, or other compensation; and

5. "Employer" means any type of business or organization that owes earnings to a debtor.

B. If any debtor shall fail to pay his or her indebtedness to the Oklahoma Employment Security Commission and after the debtor has been notified of the amount due and demand for payment has been made, it shall be lawful for the Commission to collect the amount owed by levy upon the debtor's employer or any bank account of the debtor.

C. To levy upon an employer of the debtor, the Commission must serve a Notice of Levy on the employer along with the warrant of levy and lien that sets out the amount owing on the benefit overpayment of the debtor, with interest. The levy will have the same priority, and be subject to the same exceptions, as a continuing earnings garnishment provided for in Section 1173.4 of Title 12 of the Oklahoma Statutes. The following procedures will apply to a Notice of Levy served on an employer:

1. The employer shall answer the Notice of Levy on a form provided by the Commission. The employer shall follow the procedure for answering a continuing earnings garnishment as set out in subsection F of Section 1173.4 of Title 12 of the Oklahoma Statutes;

2. The Notice of Levy shall be a lien on the debtor's property in the same manner as provided for in subsection G of Section 1173.4 of Title 12 of the Oklahoma Statutes. The Notice of Levy shall also be subject to the procedures and time limits set out in subsections H, I, J and K of Section 1173.4 of Title 12 of the Oklahoma Statutes, except that when a document is required to be filed with the clerk of the court, the document will instead be filed with the Commission as directed on the forms provided;

3. Any employer that fails or refuses to surrender money or rights to money belonging to its employee in the employer's possession, or that fails or refuses to make the appropriate deduction from wages pursuant to a levy provided for by this statute upon being served with a Notice of Levy and supporting warrant of levy and lien of the Commission, shall be liable to the Commission in a sum equal to the amount of money, rights to money, or wage deduction not so surrendered, but not exceeding the amount of the debtor's indebtedness for the collection of which the levy has been made, together with accrued interest pursuant to Section 2-613 of this title, and the cost of service of the Notice of Levy. Any amount recovered in this manner shall be credited against the liability of the debtor for the benefit overpayment indebtedness, for which the levy was made; and

4. Any employer in possession of money or rights to money subject to levy upon which a levy has been made that surrenders the money or rights to money to the Commission shall be discharged from any obligation or liability to the debtor and any other person or entity with respect to such money or rights to money arising from the surrender or payment.

D. To levy upon a debtor's bank account, the Commission must serve a Notice of Levy on the bank in which the debtor has an account, along with the warrant of levy and lien issued against the debtor. The following procedures will apply to a Notice of Levy served on a bank:

1. Upon receiving the Notice of Levy and the warrant of levy and lien issued against the debtor, the bank shall deliver all of the debtor's interest in the money in the debtor's bank account at the time of service of the levy, subject to the banker's lien or right of set off or any other priority claim of the bank, up to the amount of indebtedness indicated on the warrant of levy and lien plus accrued interest pursuant to Section 2-613 of this title and any fees for service of process, to the Commission office indicated in the Notice of Levy;

2. The delivery of this money shall occur within ten (10) days of the date of service of the Notice of Levy;

3. If there is no money in the debtor's bank account at the time the Notice of Levy is served, or if the bank account has been closed, an officer of the bank on which the Notice of Levy is served shall make a statement to that effect on the Notice of Levy. The statement shall be notarized and returned to the office of the Commission that is indicated in the Notice of Levy;

4. Any bank that fails or refuses to surrender money or rights to money in a bank account subject to levy, upon being served with a Notice of Levy and supporting warrant of levy and lien of the Commission, shall be liable to the Commission in a sum equal to the amount of money or rights to money not so surrendered, but not exceeding the amount of the debtor's indebtedness for the collection of which the levy has been made, together with accrued interest pursuant to Section 2-613 of this title, and the cost of service of the Notice of Levy. Any amount recovered in this manner shall be credited against the liability of the debtor for the benefit overpayment indebtedness, for which the levy was made; and

5. Any bank in possession of money or rights to money subject to levy, upon which a levy has been made, that surrenders the money or rights to money to the Commission shall be discharged from any obligation or liability to the debtor and any other person or entity with respect to such money or rights to money arising from the surrender or payment.

E. Service of the Notice of Levy and the warrant of levy and lien shall be made in the same manner as provided in Section 2004 of

Title 12 of the Oklahoma Statutes for service of process in civil actions.

F. If a sheriff's department is enlisted to serve the Notice of Levy, that sheriff's department shall be entitled to a service fee of Fifty Dollars (\$50.00) that is to be paid by the Commission and added to the debtor's indebtedness.

G. Claims for exemptions and any other matter relating to the levy shall be filed with the Appeal Tribunal of the Oklahoma Employment Security Commission. An order of exemption may relate back no more than thirty (30) days before the filing of the claim for exemption and shall extend no further than the expiration date or termination of the levy. Appeal from the Appeal Tribunal decision shall be governed by the appeal procedures set out in Part 6 of Article 2 of the Employment Security Act of 1980, and the Administrative Rules of the Oklahoma Employment Security Commission pertaining thereto.

The Commission may submit overpayment indebtedness due to fraud that was established pursuant to paragraph 1 of Section 2-613 of Title 40 of the Oklahoma Statutes and overpayment indebtedness due to claimant error that was established under paragraph 2 of Section 2-613 of Title 40 of the Oklahoma Statutes, if the claimant error overpayment was due to a failure to report earnings.

B. Before submitting an indebtedness to the U.S. Department of the Treasury for collection through the Tax Offset Program, the Oklahoma Employment Security Commission shall notify the debtor in writing of the amount of the debt and the date the indebtedness was established. The notification shall give the debtor sixty (60) days from the date of mailing of the notice to present evidence to the Commission that all or a part of the indebtedness is not legally enforceable or is otherwise invalid.

C. If the debtor responds to the notice by presenting evidence, the Commission shall evaluate the evidence and review its records of the indebtedness. Based on this evaluation and review, the Commission may modify the amount of the indebtedness. Once the evaluation and review process is complete, the indebtedness shall be

submitted to the U.S. Department of the Treasury for collection through the Tax Offset Program.

D. If no evidence is presented by the debtor within the sixty-day time period allowed by the notice, the amount of the indebtedness will be submitted to the U.S. Department of the Treasury for collection through the Tax Offset Program.

E. If the Oklahoma Employment Security Commission receives an erroneous payment from the U.S. Department of the Treasury, the Oklahoma Employment Security Commission shall return the payment to the U.S. Department of the Treasury. If the money that was erroneously paid to the Oklahoma Employment Security Commission had been credited to an unemployment benefit overpayment indebtedness, that indebtedness shall be reinstated to the amount that existed before the payment was credited.

A. An individual shall be eligible to receive extended benefits with respect to any week of unemployment in the eligibility period of the individual only if the Commission finds that with respect to such week:

1. The individual is an "exhaustee" as defined in Section 2-712 of this title; and

2. Except as otherwise provided by this section, the individual has satisfied the requirements of the Employment Security Act of 1980, for the receipt of regular benefits that are applicable to individuals claiming extended benefits, including not being subject to a disqualification under the Employment Security Act of 1980, Section 1-101 et seq. of this title, for the receipt of benefits.

B. An individual shall not be eligible for extended benefits unless, in the base period with respect to which the individual exhausted all rights to regular benefits, the individual shall have been paid wages for insured work of not less than one and one-half (1 1/2) times the amount of wages during that quarter of the base period of the individual in which the wages were the highest.

C. Any payment of extended benefits under the Employment Security Act of 1980 shall not be made to any individual for any week of unemployment in his or her eligibility period during which the individual:

2. Fails to apply for any suitable work to which referred by the state employment service; or

3. Fails to actively engage in seeking suitable work.

D. Suitable work shall be defined as any work which is within such individual's capabilities, except that if the individual furnishes satisfactory evidence that the individual's prospects for obtaining work in his or her customary occupation within a reasonably short period are good, the determination of whether any work is suitable work with respect to such individual shall be made in accordance with the provisions of Section 2-408 of this title with respect to regular benefit claimants.

1. Any work which is within the capabilities of such individual means that the individual has the physical and mental capacity to do the work and the background and experience which would enable the individual to perform the job.

2. Work for an extended benefit claimant shall not be considered suitable if the gross weekly pay of the job does not exceed the

F. 1. Extended benefits shall not be denied to any individual for any week by reason of a failure to accept an offer of, or apply for, suitable work if the position was not offered to such individual in writing or was not listed with the state employment service.

2. Extended benefits shall not be denied to any individual for any week by reason of a failure to accept an offer of or apply for suitable work if such failure would not result in a denial of benefits under the provisions of Sections 2-408, 2-409, 2-417 and 2-418 of this title to the extent that such provisions are not inconsistent with the provisions of this section.

3. Extended benefits shall not be denied to any individual for any week by reason of a failure to accept an offer of or apply for suitable work if the work failed to meet any of the requirements of Section 2-409 of this title.

G. An individual shall be treated as actively engaged in seeking work during any week if such individual has engaged in a systematic and sustained effort to obtain work during such week, and such individual provides tangible evidence to the state employment service that he has engaged in such an effort during such week.

H. An individual filing an interstate claim shall not be eligible for extended benefits after the first two (2) weeks of extended benefits that are payable if no extended benefit period is in effect for such week in the state where the claim is filed.

(1) The weekly extended benefit amount payable to an individual for a week of total unemployment in his eligibility period shall be an amount equal to the weekly benefit amount payable to him for a week of total unemployment during his current benefit year, or if he has no current benefit year, his most recent benefit year. If the individual had more than one (1) weekly amount of regular benefits for total unemployment during such benefit year, the weekly amount of extended benefits for total unemployment shall be the average of such weekly benefit amounts.

(2) The weekly benefit amount of extended benefits payable for a week of less than total unemployment shall be based on the weekly benefit amount determined pursuant to subsection (1) of this section. Provided, that for any week during a period in which federal payments to states under Section 204 of the Federal-State Extended Unemployment Compensation Act of 1970 are reduced under an order issued under Section 252 of the Balanced Budget and Emergency Deficit Control Act of 1985, the weekly extended benefit amount payable to an individual for a week of total unemployment in his eligibility period shall be reduced by a percentage equivalent to the percentage of the reduction in the federal payment. (4) If an individual is entitled to more extended benefits as a result of an appeal which afforded him more regular benefits, an

appropriate change shall be made in the individual's total extended benefit amount.

(5) If an individual who has received extended benefits for a week or weeks of unemployment is determined to be entitled to more regular benefits with respect to such week or weeks as the result of an appeal, the extended benefits paid to him shall be treated as if they were regular benefits up to the greater amount of regular benefits to which he has been determined to be entitled. If the individual is entitled to more extended benefits as a result of being entitled to more regular benefits, the total extended benefit amount payable to him shall be amended accordingly.

§40-3-102. Contributions.

CONTRIBUTIONS.

A. Contributions shall accrue and become payable by each employer for each calendar year in which the employer is subject to the Employment Security Act of 1980, with respect to wages for employment. Such contributions shall become due and be paid by each employer to the Oklahoma Employment Security Commission for the Unemployment Compensation Fund in accordance with such rules as the Commission may prescribe, and shall not be deducted, in whole or in part, from the wages of individuals in the employer's employ.

B. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to one-half cent (\$0.005) or more, in which case it shall be increased to one cent (\$0.01).

C. Each employer shall be notified of its contribution rate for a given calendar year on or before September 30 of the previous calendar year. The notice shall be mailed to the employer at the employer's last-known address. If the employer has elected to be

notified by electronic means according to procedures set out in Oklahoma Employment Security Commission rules, notice shall be deemed to be given when the Commission transmits the notification by electronic means. The employer shall file an appeal to the rate notice within twenty (20) days after the mailing of the notice of the contribution rate, or the date of transmission by electronic means. Upon the filing of a timely appeal, the Commission shall provide for a review and issue a determination to the employer. If the employer does not file a timely appeal, the contribution rate of the employer shall become conclusive and binding.

D. Within twenty (20) days after the date of mailing of the notice of the determination, the employer may file with the Commission at the address prescribed in the notice the employer's specific written objections to the contribution rate so determined. The matter will be heard upon those specific written objections by a representative appointed by the Commission. The decision shall be made in writing and notice shall be mailed to the employer. The employer may appeal to the district court by filing a petition for review with the clerk of that court within thirty (30) days after the date of mailing stated upon the notice of decision.

When in any benefit year a claimant is paid benefits for his or her fifth compensable week of unemployment or is paid benefits as defined in paragraph 3 of Section 4-702 of this title, his or her taxable wages during his or her base period shall be treated, for the purpose of this part, as though they had been paid in the calendar quarter in which the fifth compensable week of unemployment benefits are paid.

Added by Laws 1980, c. 323, § 3-105, eff. July 1, 1980. Amended by Laws 1983, c. 270, § 9, emerg. eff. June 23, 1983; Laws 1995, c. 340, § 13, eff. Jan. 1, 1996; Laws 2014, c. 220, § 9, eff. Nov. 1, 2014.

§40-3-106. Benefit wages charged and relief therefrom.

BENEFIT WAGES CHARGED AND RELIEF THEREFROM.

A. The Oklahoma Employment Security Commission shall give notice to each base period employer of a claimant promptly after the claimant is issued his or her fifth week of benefits by the Commission or promptly after the Commission receives notice of the amounts paid as benefits by another state under a reciprocal arrangement. Notice shall be deemed given under this subsection when the Commission deposits the same with the United States Postal Service addressed to the employer at an address designated by the employer to receive the notice or at the employer's last-known address. If the employer has elected to be notified by electronic means according to procedures set out in Oklahoma Employment Security Commission rules, notice shall be deemed to be given when the Commission transmits the notification by electronic means. Notice shall be presumed prima facie to have been given to the employer to whom addressed on the date stated in the written notice. This notice shall give the name and social security number of the claimant, the date the claim was filed, and the amount of benefit wages charged to the employer in each quarter of the base period.

B. Within twenty (20) days from the date stated upon the notice provided for in subsection A of this section, the employer may file with the Commission written objections to being charged with the benefit wages upon one or more of the grounds for objection set forth in subsection G of this section. The employer's written objection must set forth specifically:

1. The date on which the employment was terminated;
2. Full particulars as to the circumstances of the termination including the reason given by the individual for voluntarily leaving the employment, or the nature of the misconduct for which discharged, as the case may be;
3. Full particulars as to the regular scheduled part-time or full-time employment of the employee including the starting date, and ending date if any, of the continuous period of such part-time or full-time employment; and
4. Such other information as called for by the notice.

C. Upon receipt of the employer's written objections, the Commission shall make a determination as to whether or not the employer is entitled to be relieved from the charging of benefit wages. The Commission shall promptly notify the employer of that determination. Provided further, the twenty-day time period for filing written objections with the Commission as provided for in subsection B of this section may be waived for good cause shown.

D. Within twenty (20) days after the mailing of the determination provided for in subsection C of this section, the employer may file with the Commission or its representative a written protest to the determination and request an oral hearing de novo to present evidence in support of its protest. The Commission or its representative shall, by written notice, advise the employer of the

date of the hearing, which shall not be less than ten (10) days from the date of mailing of the written notice. At the discretion of the Commission, this hearing shall be conducted by the Commission or its representative appointed by the Commission for this purpose. Pursuant to the hearing, the Commission or its representative shall, as soon as practicable, make a written order setting forth its findings of fact and conclusions of law, and shall send it to the employer.

E. If any employer fails to file a written protest within the period of twenty (20) days, as provided by subsection D of this section, then the determination shall be final, and no appeal shall thereafter be allowed.

F. The employer or the Commission may appeal the order of the Commission or its representative to the district court by filing a petition for review with the clerk of that court within thirty (30) days after the date the order was mailed to all parties. The mailing date shall be specifically stated in the order.

G. The benefit wages charged to an employer for a given calendar year shall be the total of the benefit wages stated in the notices given to the employer by the Commission. Provided, that an employer shall be relieved of a benefit wage charge if the employer proves to the satisfaction of the Commission that the benefit wage charge includes wages paid by the employer to any employee or former employee, who:

1. Left employment with that employer, or with his or her last employer, voluntarily without good cause connected to the work;
2. Was discharged from such employment for misconduct connected with his or her work;
3. Was a regular scheduled employee of that employer prior to the week the employee separated from other employment, and continued to work for the employer through the fifth compensable week of unemployment in his or her established benefit year;
4. Was separated from his or her employment as a direct result of a major natural disaster, declared as such by the President pursuant to the Disaster Relief Act of 1974, P.L. 93-288, and such employee would have been entitled to disaster unemployment assistance if he or she had not received unemployment insurance benefits;
5. Was discharged by an employer for unsatisfactory performance during an initial employment probationary period. As used in this paragraph, "probationary period" means a period of time set forth in an established probationary plan which applies to all employees or a specific group of employees and does not exceed ninety (90) calendar days from the first day a new employee begins work. The employee must be informed of the probationary period within the first seven (7) work days. There must be conclusive evidence to establish that the individual was separated due to unsatisfactory work performance;

6. Left employment to attend training approved under the Trade Act of 1974 and is allowed unemployment benefits pursuant to Section 2-416 of this title; or

7. Was separated from employment for compelling family circumstances as defined in Section 2-210 of this title.

H. If an employer recalls an employee deemed unemployed as defined by the Employment Security Act of 1980 and the employee continues to be employed or the employee voluntarily terminates employment or is discharged for misconduct within the benefit year, the employer shall be entitled to have the benefit wage charged against the employer's experience rating for the employee reduced by the ratio of the number of weeks of remaining eligibility of the employee to the total number of weeks of entitlement.

I. An employer shall not be charged with benefit wages of a laid-off employee if the employer lists as an objection in a statement filed in accordance with subsection B of this section that the employee collecting benefits was hired to replace a United States serviceman or servicewoman called into active duty and laid-off upon the return to work by that serviceman or servicewoman. The Unemployment Compensation Fund shall be charged with the benefit wages of the laid-off employee.

J. If the Commission receives a notice of amounts paid as benefits by another state under a reciprocal agreement, and the notice is received after three (3) years from the effective date of the underlying benefit claim, no benefit wage charge will be made against the employer identified in the notice, or if a benefit wage charge is made based on such a notice, the employer will be relieved of the charge when the facts are brought to the attention of the Commission.

K. An employer shall not be eligible to be relieved of a benefit wage charge under paragraphs 1 and 2 of subsection G of this section if the employer was sent a notice of benefit claim, pursuant to Section 2-503 of this title, and failed to timely file protest to the benefit claim.

UNEMPLOYMENT TAX RATE.

Each employer, unless otherwise prescribed in Section 3-111.1, 3-701 or 3-801 of this title, shall pay unemployment tax as follows:

1. All employers shall have an assigned tax rate of one and one-half percent (1.5%) until sufficient experience history exists in the employer's account to meet the At-Risk Rule set out in paragraph 3 of this section. If the account meets the At-Risk Rule, the employer will qualify for an earned tax rate calculated pursuant to the provisions of Part 1 of Article III of the Employment Security Act of 1980;

2. If an employer qualified for an earned tax rate under paragraph 1 of this section, or under a prior law, and at the time the employer's tax rate is being determined for a subsequent year the employer account lacks sufficient experience history to meet the At-Risk Rule of paragraph 3 of this section, the employer shall revert to the assigned tax rate of one and one-half percent (1.5%). The employer shall pay at the assigned tax rate until the provisions of paragraph 1 of this section are met; and

§40-3-111.1. Successor and predecessor employers - Special rules on transfer of rates and experience.

SUCCESSOR AND PREDECESSOR EMPLOYERS - SPECIAL RULES ON TRANSFER OF RATES AND EXPERIENCE.

A. Notwithstanding any other provision of law, the following shall apply regarding assignments of rates and transfers of experience:

1. If an employer transfers its trade or business, or a separate and distinct establishment, or unit thereof, to another employer or an entity that does not meet the definition of an employer at the time of the transfer and there is substantially common ownership, management or control of the two employers or entities at the time of the transfer, then the experience rating account attributable to the transferred trade or business shall be combined with the experience rating account of the employer to whom such business is so transferred. The employer transferring its trade or business shall be the predecessor employer and the employer or entity acquiring the transferred trade or business shall be the successor employer. The successor employer shall acquire the experience rating account of the predecessor employer, including the predecessor's actual tax and benefit experience, annual payrolls and tax rate. The successor employer shall also become jointly and severally liable with the predecessor employer for all current or delinquent taxes, interest, penalties and fees owed to the Oklahoma Employment Security Commission by the predecessor employer. In the case of the transfer

of a separate and distinct establishment or unit within the predecessor employer, the successor employer shall acquire that portion of the items identified above that relate to the establishment or unit acquired or its pro-rata share; and

2. Whenever a person who is not an employer under the Employment Security Act of 1980 at the time it acquires the trade or business of an employer, the experience rating account of the acquired business shall not be transferred to that person if the Commission finds that the person acquired the business solely or primarily for the purpose of obtaining a lower tax rate. Instead, the person shall be assigned a tax rate under Section 3-110.1 of this title. In determining whether the business was acquired solely or primarily for the purpose of obtaining a lower tax rate, the Commission shall examine objective factors which may include the cost of acquiring the business, whether the person continued the business enterprise of the acquired business, how long the business enterprise was continued, or whether a substantial number of new employees were hired for performance of duties unrelated to the business activity conducted prior to acquisition.

B. 1. If a person knowingly violates or attempts to violate paragraph 1 or 2 of subsection A of this section or any other provision of the Employment Security Act of 1980 related to determining the assignment of the tax rate, or if a person knowingly advises another person in a way that results in a violation of such provision, the person shall be subject to the following penalties:

- a. if the person is an employer, then the employer shall be assessed a penalty equal to ten percent (10%) of the actual taxes due in the calendar quarter in which the employer violated or attempted to violate the provisions of this section and a penalty equal to ten percent (10%) of the actual taxes due in each of the following three (3) calendar quarters. The funds in payment of this penalty shall be deposited in the Oklahoma Employment Security Commission Revolving Fund established under Section 4-901 of this title,
- b. if the person is not an employer, the person shall be subject to a civil money penalty of at least One Hundred Dollars (\$100.00) and not more than Five Thousand Dollars (\$5,000.00) to be determined by the Assessment Board of the Oklahoma Employment Security Commission. Any fine shall be deposited in the Oklahoma Employment Security Commission Revolving Fund established under Section 4-901 of this title.

2. For purposes of this section, the term "knowingly" means having actual knowledge of or acting with deliberate ignorance or reckless disregard for the prohibition involved.

3. For the purposes of this section, the term "violates or attempts to violate" includes, but is not limited to, intent to evade, misrepresentation or willful nondisclosure.

4. In addition to the penalty imposed by paragraph 1 of this subsection, any person who violates the provisions of this section shall be guilty of a misdemeanor and may be imprisoned for up to one (1) year.

C. The Commission shall establish procedures to identify the transfer or acquisition of a business for purposes of this section.

D. For purposes of this section:

1. "Person" has the meaning given such term by 26 U.S.C., Section 7701(a)(1); and

2. "Trade or business" shall include the employer's workforce.

E. This section shall be interpreted and applied in such a manner as to meet the minimum requirements contained in any guidance or regulations issued by the United States Department of Labor.

CONDITIONAL FACTORS.

For each calendar year commencing after December 31, 2006, except for those employers with a benefit wage ratio of zero (0) and as otherwise provided in this section, the contribution rate for each employer for the calendar year shall be increased, in the circumstances and in the amounts as follows:

(1) - Condition "a" - If the balance of the unemployment compensation fund is less than three and one-half (3 1/2) times, but not less than three (3) times, the net benefits paid for the most recent twenty (20) consecutive completed calendar quarters divided by five (5), on July 1 of any given year, the contribution rate for the next calendar year for each employer whose benefit wage ratio with respect to that year is zero percent (0%) shall be increased by one-tenth of one percent (1/10 of 1%) of wages paid by the employer during the year; the contribution rate for each employer whose benefit rate wage ratio with respect to that year is more than zero percent (0%), but not more than one-tenth of one percent (1/10 of 1%), shall be increased by two-tenths of one percent (2/10 of 1%) of wages paid by the employer during the year and the contribution rate for each employer whose benefit wage ratio with respect to that year is more than one-tenth of one percent (1/10 of 1%), shall be increased by three-tenths of one percent (3/10 of 1%) of wages paid by the employer during that year.

(2) - Condition "b" - If the balance of the unemployment compensation fund is less than three (3) times, but not less than two and one-half (2 1/2) times, the net benefits paid for the most recent twenty (20) consecutive completed calendar quarters divided by five (5), as of July 1 of any given year, the contribution rate for the next calendar year for each employer shall be increased by thirty-three and one-third percent (33 1/3%) of the rate; provided that the total rate, if not a multiple of one-tenth of one percent (1/10 of 1%), shall be computed to the next higher multiple of one-tenth of one percent (1/10 of 1%) of wages paid by the employer during that year; provided, further, that the contribution rate for each employer whose benefit wage ratio with respect to that year is zero percent (0%) shall be increased by two-tenths of one percent (2/10 of 1%) of wages paid by the employer during that year; the contribution rate for each employer whose benefit wage ratio with respect to that year is more than zero percent (0%), but not more than one-tenth of one percent (1/10 of 1%), shall be increased by three-tenths of one percent (3/10 of 1%) of wages paid by the employer during that year; and the contribution rate for each employer whose benefit wage ratio with respect to that year is more than one-tenth of one percent (1/10 of 1%), shall be increased by at least four-tenths of one percent (4/10 of 1%) of wages paid by the employer during that year.

(3) - Condition "c" - If the balance of the unemployment compensation fund is less than two and one-half (2 1/2) times, but not less than two (2) times, the net benefits paid for the most recent twenty (20) consecutive completed calendar quarters divided by five (5), as of July 1 of any given year, the contribution rate for the next calendar year for each employer shall be increased by one-half (1/2) of that rate; provided that the total rate, if not a multiple of one-tenth of one percent (1/10 of 1%), shall be computed to the next higher multiple of one-tenth of one percent (1/10 of 1%) of wages paid by the employer during that year; provided, further, that the contribution rate for each employer whose benefit wage ratio with respect to that year is zero percent (0%) shall be increased by three-tenths of one percent (3/10 of 1%) of wages paid by the employer during that year; the contribution rate for each employer whose benefit wage ratio with respect to that year is more than zero percent (0%), but not more than one-tenth of one percent (1/10 of 1%), shall be increased by four-tenths of one percent (4/10 of 1%) of wages paid by the employer during that year; and the contribution rate for each employer whose benefit wage ratio with respect to that year is more than one-tenth of one percent (1/10 of 1%), shall be increased by at least five-tenths of one percent (5/10 of 1%) of wages paid by the employer during that year.

(4) - Condition "d" - If the balance of the unemployment compensation fund is less than two (2) times the net benefits paid for the most recent twenty (20) consecutive completed calendar

quarters divided by five (5), as of July 1 of any given year, the contribution rate for the next calendar year for each employer shall be increased by sixty-six and two-thirds percent ($66 \frac{2}{3} \%$) of the rate; provided that the total rate, if not a multiple of one-tenth of one percent ($1/10$ of 1%) shall be computed to the next higher multiple of one-tenth of one percent ($1/10$ of 1%) of wages paid by the employer during that year; provided, further, that the contribution rate for each employer whose benefit wage ratio with respect to that year is zero percent (0%) shall be increased by four-tenths of one percent ($4/10$ of 1%) of wages paid by the employer during that year; the contribution rate for each employer whose benefit wage ratio with respect to that year is more than zero percent (0%), but not more than one-tenth of one percent ($1/10$ of 1%), shall be increased by five-tenths of one percent ($5/10$ of 1%) of wages paid by the employer during that year; the contribution rate for each employer whose benefit wage ratio with respect to that year is more than one-tenth of one percent ($1/10$ of 1%), shall be increased by at least six-tenths of one percent ($6/10$ of 1%) of wages paid by the employer during that year.

(5) The contribution rate, excluding any surcharge, for an employer whose contribution rate is three and four-tenths percent (3.4%) or more shall not be increased by more than two (2) percentage points in any one (1) year. The contribution rate, excluding any surcharge, for an employer whose contribution rate is less than three and four-tenths percent (3.4%) shall not be increased to more than five and four-tenths percent (5.4%) in one (1) year.

For the purposes of this section "net benefits paid for the most recent twenty (20) consecutive completed calendar quarters" means the total amount of monies withdrawn from this state's account in the unemployment trust fund in the United States Treasury for each of the most recent twenty (20) consecutive completed calendar quarters, plus the balance in the benefit account at the start of the period, less the balance in the benefit account at the end of the period. The contribution rate for those employers with a benefit wage ratio of zero (0) shall be two-tenths of one percent ($2/10$ of 1%) during those years when the fund is in conditions "a", "b", and "c", and shall be three-tenths of one percent ($3/10$ of 1%) during those years when the fund is in condition "d".

(6) Beginning January 1, 1996, except for this paragraph and paragraph (7) of this section, the provisions of this section shall be suspended until the Unemployment Trust Fund reaches a High Cost Multiple of one and one-fourth ($1 \frac{1}{4}$). The Oklahoma Employment Security Commission shall determine the High Cost Multiple at the end of each calendar year and shall include the result of its computation in a regularly published periodical together with other employment-related data. As used in this section, "High Cost Multiple" shall be a figure computed as follows:

- (a) first, net fund reserves in the Unemployment Compensation Fund as of the date of each computation required by this section shall be divided by total wages earned in insured employment for the twelve (12) months preceding the date of the quarterly High Cost Multiple computation,
- (b) second, the result of the computation from subparagraph (a) of this paragraph shall be divided by a figure which is a quotient derived from the computation of the High-Cost Rate contained in subparagraph (c) of this paragraph, and
- (c) third, the highest ratio of total state benefit payments experienced previously in any twelve (12) consecutive months to total wages earned in insured employment for the same period shall be the High-Cost Rate.

The result of all computations contained in subparagraphs (a) through (c) of this paragraph, performed in the sequence as specified in this section, shall be known as the High Cost Multiple;

(7) Prior to the beginning of each calendar year, the Commission shall prepare an estimate of the financial condition of the trust fund. If the estimate for the year shows the balance, at any time during the year, will fall below the High Cost Multiple as defined in paragraph (6) of this section, then the Commission shall reinstate the suspended provisions of this section.

Effective July 1, 1992, if the estimate for any quarter shows a balance at any time during the quarter of less than Twenty-five Million Dollars (\$25,000,000.00), the Commission shall assess and collect a surcharge for that calendar quarter in an amount sufficient to keep the balance at Twenty-five Million Dollars (\$25,000,000.00).

The surcharge shall be charged to each employer in proportion to the employer's total tax liability as of the last completed quarter for the current calendar year and shall not exceed thirty-three and one-third percent (33 1/3%) per taxable year.

B. 1. All determinations affecting an employer account must be made by the Commission in writing in a Notice of Determination and mailed to the employer at the employer's last-known address with the mailing date and appeal rights set out in the document. If the employer has elected to be notified by electronic means according to procedures set out in Oklahoma Employment Security Commission rules, notice shall be deemed to be given when the Commission transmits the notification by electronic means.

Within twenty (20) days after the mailing or transmission of the Notice of Determination as provided for in paragraph 1 of this subsection, the employer may file with the Commission, or its representative, a written request for a review and redetermination setting forth the employer's reasons therefor. If any employer fails to file a written request for review and redetermination within twenty (20) days without good cause, then the initial determination of the Commission shall be final, and no further appeal or protest shall be allowed.

3. If a written request for review and redetermination is filed, the Commission shall provide for a review and issue a Notice of Redetermination in the matter. The employer may appeal the redetermination by filing a written protest within twenty (20) days of the date of the mailing of the Notice of Redetermination. At the discretion of the Commission, this hearing shall be conducted by the Commission, or by a representative appointed by the Commission for this purpose. The appealing party shall bear the initial burden of proof at the hearing.

5. Pursuant to the hearing, the Commission or its representative shall, as soon as practicable, make a written order setting forth its findings of fact and conclusions of law, and shall mail it to the

employer at the employer's last-known address with the mailing date and appeal rights set out in the document.

6. The employer or the Commission may appeal the order to the district court of the county in which the employer has its principal place of business by filing a Petition for Review with the clerk of the court within thirty (30) days after the date the order was mailed to all parties. If the employer does not have a principal place of business in any county in Oklahoma, then the Petition for Review shall be filed with the Oklahoma County District Court. All appeals shall be governed by Part 4 of Article 3 of the Employment Security Act of 1980. If the employer fails to file an appeal to the district court within the time allowed, the order shall be final and no further appeal shall be allowed.

C. Untimely requests for review and redetermination pursuant to paragraph 2 of subsection B of this section and written protests for appeals filed pursuant to paragraph 3 of subsection B of this section may be allowed for good cause shown, if the request for good cause is filed in writing with the Commission within one (1) year of the date of the determination or redetermination that is the basis of the request for untimely filing.

In addition, if taxable wages were reported by a client in a previous account of the client within the calendar year in which the PEO coemployer account is set up, then the PEO coemployer account shall be given credit for the taxable wages paid on each employee in the immediately previous account under which client wages were reported.

§40-3-303. Priorities under legal dissolutions or distributions.

PRIORITIES UNDER LEGAL DISSOLUTIONS OR DISTRIBUTIONS. In the event of any distribution of an employer's assets pursuant to an order of any court or under the laws of this state, including any receivership, assignment for benefit of creditors, adjudicated insolvency, composition, or similar proceedings, all contributions, interest, penalties and fees imposed by the provisions of this act are hereby declared to constitute a lien in favor of the state upon all franchises, property, and the rights to property, whether real or personal, then belonging to or thereafter acquired by the person, firm, corporation, partnership or association owing the contribution, whether such property is employed by such person, firm, corporation, partnership or association in the prosecution of business, or is in the hands of an assignee, trustee, or receiver for the benefit of creditors, from the date of the filing by the Commission of a notice of claim of said lien in the office of the county clerk of the county in which such property is located. Said lien shall be in addition to any lien accrued by the filing of a tax warrant as provided in this act. Said lien shall be prior, superior and paramount to all other liens, or encumbrances of whatsoever kind or character, attaching to any of said property subsequent to the filing of such notice of claim of lien, except liens for other taxes, in which event said lien shall be coequal, and claims for wages of not more than Two Hundred Fifty Dollars (\$250.00) to each claimant, earned within six (6) months of the commencement of any proceeding distributing an employer's assets pursuant to an order of the court under the laws of this state. Said lien shall continue until the amount of contribution, interest, penalty and fees due and owing, and interest subsequently accruing thereon, is paid. In the event of an employer's adjudication in bankruptcy, judicially confirmed extension proposal, or composition, under the Federal Bankruptcy Act of 1898, as amended, contributions then or thereafter due shall be entitled to such priority as is provided in that act for taxes due any state of the United States. §40-3-304. Refunds.

REFUNDS. If not later than three (3) years after the date on which a specific report or return was required to be filed, an employer, who has paid all amounts owing for that specific quarter, may make application for an adjustment in connection with that report or payment, or for a refund thereof because an adjustment cannot be

made, and if the Commission shall determine that payment of the contributions, interest, penalty fees or any portion thereof was erroneous, the Commission shall allow such employer to make an adjustment thereof, without interest, in connection with subsequent contribution payments by the employer, or if such adjustment cannot be made, the Commission shall refund from the fund, without interest, the amount erroneously paid. For like cause and within the same period, adjustment or refund may be so made on the Commission's own initiative.

Added by Laws 1980, c. 323, § 3-304, eff. July 1, 1980. Amended by Laws 1992, c. 318, § 5, eff. July 1, 1992; Laws 1993, c. 219, § 19, eff. Sept. 1, 1993.

§40-3-305. Assessments.

ASSESSMENTS.

A. If any employer shall fail to make any report or return as required by the Employment Security Act of 1980, the Oklahoma Employment Security Commission or its duly authorized representative, from any information in the possession of or obtainable by the Commission, may determine the amount of contribution due from such employer, and shall mail a copy of the assessment to the last-known address of the delinquent employer. The assessment so made shall not preclude the Commission or its representative from making field audits of the books and records, wherever located, of the employer and from making further adjustments, corrections or assessments. The assessments provided for herein must be made, and a copy thereof delivered to the employer or mailed to the last-known address of the employer, within three (3) years after the date on which the report or return was required to be filed.

B. Assessments under this section may be appealed pursuant to the provisions of Section 3-115 of this title.

Added by Laws 1980, c. 323, § 3-305, eff. July 1, 1980. Amended by Laws 1981, c. 259, § 20, emerg. eff. June 25, 1981; Laws 1990, c. 333, § 8, emerg. eff. May 31, 1990; Laws 1992, c. 318, § 6, eff. July 1, 1992; Laws 1997, c. 30, § 16, eff. July 1, 1997; Laws 2006, c. 176, § 22, eff. July 1, 2006.

§40-3-306. Jeopardy assessments.

JEOPARDY ASSESSMENTS. A. If the Commission, notwithstanding that a return or report, or that contributions with respect thereto may not yet be due, and whether prior to or after the close of the period when any contribution may be due under the provisions of this act, believes that:

1. An employer intends to depart or remove from the state, or conceal himself or any of his property subject to a lien for the payment of contributions;

2. An employer intends to discontinue business; or

3. An employer intends to do any other act tending to prejudice or render wholly or partially ineffectual proceedings to compute, assess or collect any contribution levied under the provisions of this act,

the Commission shall declare the period for which any contributions may become due to have terminated for such employer, and shall immediately assess the contributions from any information in his possession, notify the employer and demand immediate payment thereof. In the event of any failure or refusal to pay the contributions, by the employer upon the demand of the Commission, the contributions shall immediately become delinquent and the Commission shall proceed to collect the same as in other cases of delinquent contributions.

B. The order of the Commission assessing the contributions may be appealed from as provided in Part 4 of this Article 3, or the employer may furnish to the Commission, under rules prescribed by it, security that he will make any return or report thereafter to be required to be filed with the Commission, and pay the contributions with respect to the period for which such contributions will become due. After security is approved and accepted, and such further and other security with respect to the contributions covered thereby is given as the Commission may, from time to time, find necessary and require, the payment of such contributions shall not be enforced by any proceedings prior to the expiration of the time otherwise allowed for paying such contributions.

C. In cases where the assessment here authorized is made prior to the close of the period for which contributions become due, and in case the employer elects to pay his contribution rather than to file a bond as herein provided for, the employer may pay the Commission the sum assessed, together with additions to contributions imposed by law, and at the time of making such payment shall notify the Commission of his intention, at the close of the period for which such contributions would have become due, to file suit for recovery. Upon receipt of such notice, an account shall be set up showing the amount paid until the termination of thirty (30) days following the close of the period for which such contributions were due, and if within such period, namely, within thirty (30) days following the close of the period for which such contributions were due, the employer files suit for recovery, the account shall be further maintained pending the final determination of such suit, after which it shall be terminated or refund made by the Commission in accordance with the provisions of Section 3-304 of this title.

Added by Laws 1980, c. 323, § 3-306, eff. July 1, 1980. Amended by Laws 1993, c. 219, § 20, eff. Sept. 1, 1993.

No remittance other than cash shall be in final discharge of liability due the Commission unless and until it shall have been paid in cash. All monies collected shall be deposited with the State Treasurer. There shall be assessed, in addition to any other penalties provided for by law, an administrative service fee of Twenty-five Dollars (\$25.00) on each check returned to the Commission or any agent thereof by reason of the refusal of the bank upon which such check was drawn to honor the same. There shall be assessed, in addition to any other penalties provided for by law, an administrative service fee of Twenty-five Dollars (\$25.00) on each electronic fund transfer that fails due to insufficient funds in the payor's account.

B. Upon the return of any check by reason of the refusal of the bank upon which such check was drawn to honor the same, the Commission may file a bogus check complaint with the appropriate district attorney who shall refer the complaint to the Bogus Check Restitution Program established by Section 111 of Title 22 of the Oklahoma Statutes. Funds collected through the program after collection of the fee authorized by Section 114 of Title 22 of the Oklahoma Statutes for deposit in the Bogus Check Restitution Program Fund in the county treasury shall be transmitted to the Commission and credited to the liability for which the returned check was drawn and to the administrative service fee provided by this section. Provided, that upon proper application under the procedures outlined herein, the Assessment Board of the Oklahoma Employment Security Commission may issue an order continuing or modifying the levy for the collection of delinquent contributions, penalties, interest or fees.

3. Results from insolvency.

B. Provided, no waiver of penalty or interest assessed for failure to file a report or remit payment as required by this act shall be granted unless the request for waiver is filed with the Commission within a three-year period from the date the penalty or interest was assessed or accrued.

Any amounts so paid shall, pending the final determination of the appeal, be reflected by the Commission in the employer's account, and if, upon a final determination of the appeal the order of the Commission is reversed or modified and it is determined that the contribution or part thereof was erroneously assessed, or the contributions, penalties, interest or fees should not be owed to the Commission, the amount paid by the employer shall be refunded to the employer by the Commission.

Such lien shall be in addition to any and all other liens existing in favor of the state to secure the payment of such unpaid contribution, interest, penalty, fees and costs, and such lien shall be paramount and superior to all other liens of whatsoever kind or character, attaching to any of said property subsequent to the date of such recording and shall be in addition to any other lien provided for in this act. This lien on personal property shall be permanent and continuing without any requirement for executions under Section 735 of Title 12 of the Oklahoma Statutes or any other similar statute. After the expiration of the period of redemption herein provided, the State of Oklahoma may sell such property at public auction, upon giving thirty (30) days' notice, published in a newspaper of general circulation in the county where such property is located, to the highest and best bidder for cash; and upon a sale had thereof, or when a redemption is made, the Commission for and on behalf of the State of Oklahoma shall issue its bill of sale or quit claim deed to the successful bidder or to the redemptioner. The sheriff shall be entitled to the same fee for his services in executing the warrant, as he would be entitled to receive if he were executing an execution issued by the court clerk of said county upon a judgment of a court of record. The delivery of this money shall occur within ten (10) days of the date of service of the Notice of Levy.

E. If there is no money in the tax debtor's bank account at the time the Notice of Levy is served, or if the bank account has been closed, an officer of the bank on which the Notice of Levy is served shall make a statement to that effect on the Notice of Levy. The statement must be notarized and returned to the representative of the Oklahoma Employment Security Commission named in the Notice of Levy.

In the alternative, the Oklahoma Tax Commission may enforce payments by proceeding in accordance with the provisions of Section 79 of Title 85A of the Oklahoma Statutes.

(5) Except as otherwise provided in paragraph (7) of this section, the Oklahoma Tax Commission shall, monthly, as the same are collected, pay to the State Treasurer of this state, to the credit of the Special Occupational Health and Safety Fund, all monies collected under the provisions of this section. Monies shall be paid out of said Fund exclusively for the operation and administration of the Oklahoma Occupational Health and Safety Standards Act and for other necessary expenses of the Department of Labor pursuant to appropriations by the Oklahoma Legislature.

2. "Operating fact sheet" means a written description and summary of the manufacturer's recommended operating instructions and specifications and the ride operation policies, procedures, safety procedures and emergency procedures prepared in accordance with the ASTM Standards;

3. "Amusement ride operator" or "ride operator" means a person who is physically in control of the starting, stopping and performance of the amusement ride while in operation; provided however, ride operator shall not include persons fulfilling ancillary functions in connection with the amusement ride such as taking tickets or assisting passengers in loading and unloading;

5. "Inflatable amusement device" means an amusement ride or device consisting of air-filled structures designed for commercial use where the public pays a price to rent or use such a device as specified by the manufacturer, and may include, but not be limited to, bounce, climb, slide or interactive play. They are made of flexible fabric, kept inflated by continuous air flow by one or more blowers and rely upon air pressure to maintain their shape.

B. All amusement rides must be under the control of a competent ride operator or competent ride operators at all times when the amusement ride is in operation. The ride operator must have been issued a certificate of training pursuant to subsection F of this section evidencing that the ride operator has been trained pursuant to subsections C and D of this section within one (1) year from the time of his or her operation of the amusement ride or rides in question. Each such ride operator must wear a name tag identifying

the ride operator by name and identifying the fact that such person is a trained ride operator.

C. Each owner/operator shall provide or cause to be provided training for each ride operator in the safe operation of the amusement ride being operated. The minimum requirement for training shall be that specified in the then most current ASTM Standard. Such training shall include, but not be limited to, the following, where applicable:

1. Instruction on ride or device operating procedures pursuant to the operating fact sheet and any manufacturer's operating manual, supplements, alerts and bulletins applicable to the amusement ride;
2. Instructions on specific duties of the assigned position;

5. Demonstration of the physical ride or device operation.

D. Each owner/operator shall ensure that each ride operator on a ride-specific basis has:

1. Read and understood the operating fact sheet and has satisfactorily demonstrated with on-the-job training and testing that such ride operator is competent and understands the operating fact sheet;
2. Demonstrated how to do pre-startup operational ride checks and daily maintenance inspection;
3. Demonstrated understanding emergency procedures relating to the amusement ride in question and has knowledge of use and function of normal and emergency operating controls; and
4. Demonstrated the physical operation of the amusement ride in question in a safe and satisfactory manner.

E. Each owner/operator shall maintain written records evidencing the compliance with subsections C and D of this section with respect to each ride operator and each amusement ride for which such operator has been trained. These written records shall be maintained on the premises where the amusement ride or amusement rides are being operated and made available upon reasonable request by Department of Labor amusement ride inspectors.

F. In addition to the written records required pursuant to subsection E of this section, the owner/operator shall:

1. Provide to each ride operator trained pursuant to subsections C and D of this section a written certificate stating that the holder of this certificate has been trained in accordance with the requirements of this section. This certificate shall be dated the date on which the training and demonstration of these skills were completed. The certificate may include additional amusement rides as to which such ride operator has been trained, provided that the separate date and location of such training is specified. Each certificate will indicate the applicant's name, address, date of birth and each of the amusement rides such operator is approved to

operate and the signatures of the owner/operator representative and the ride operator; and

2. Maintain the originals or duplicates of the above certificate on the premises and available for inspection by Department of Labor amusement ride inspectors.

G. The Commissioner of Labor may, where there is reasonable grounds to believe that a ride operator is operating an amusement ride while under the influence of drugs or alcohol, require such ride operator to submit for voluntary drug and alcohol testing by a competent, qualified facility and pursuant to standards and procedures consistent with operating a motor vehicle in this state. Failure to submit to a voluntary drug or alcohol test under such circumstance shall result in the termination of such ride operator's certification for a period of ninety (90) days. A positive test for drugs and alcohol pursuant to the foregoing shall result in a loss of such certification for a period of at least thirty (30) days and until the applicant passes a subsequent drug and alcohol test, which retest shall be at the expense of the applicant.
