Fifty-ninth Oklahoma Legislature

ENROLLED SENATE BILL 453:

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled Senate Bill 453.

I have the deepest appreciation and regards for those who risk their lives to protect our communities, and I will continue to advocate for them. But Senate Bill 453 is a continuation of the slippery slope that I warned of in my veto message for Senate Bill 102. The fiscal insolvency of California’s pension system stands as a stark warning for putting the short-term benefit of some first responders ahead of the long-term security of them all.

Fiscal discipline is always difficult, especially in seasons of economic growth. But we must remain vigilant to ensure that future generations of Oklahomans experience the same prosperity we enjoy now.

For these reasons, I have vetoed Enrolled Senate Bill 453.

ENROLLED SENATE BILL 631:

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled Senate Bill 631.

I have the deepest appreciation and regards for those who risk their lives to protect our communities, and I will continue to advocate for them. But Senate Bill 631 is a continuation of the slippery slope that I warned of in my veto message for Senate Bill 102. This bill would undue previous pension reforms by awarding “half pay” benefits to pension members hired after 2012. This policy would guarantee an increase in pension benefits for all retirees should currently employed members receive an increase in salaries. The fiscal insolvency of California’s and Illinois’ pension systems stand as a stark warning for putting the short-term benefit of some first responders ahead of the long-term security of them all.

Fiscal discipline is always difficult, especially in seasons of economic growth. But we must remain vigilant to ensure that future generations of Oklahomans experience the same prosperity we enjoy now.

For these reasons, I have vetoed Enrolled Senate Bill 631.

ENROLLED SENATE BILL NO. 1167:

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled Senate Bill 1167.

My administration has consistently prioritized fiscal responsibility and slowing the growth of government. This bill would contradict both priorities by entrenching a current government program and creating an unfunded mandate to increase per diem rates paid to private correctional facilities for guarding inmates. Not only was this bill not in the budget agreement, but it also will require more recurring taxpayer spending in this future. As Oklahomans continue to suffer at the hands of inflation and reckless decisions in Washington D.C., I cannot in good conscience put taxpayers on the hook for increasing the salaries of private corporations contracted with the state.

For these reasons, I have vetoed Enrolled Senate Bill 1167.

ENROLLED SENATE BILL NO. 1122:

Pursuant to the authority vested in me by Section 12 of Article VI of the Oklahoma Constitution, I have vetoed Section 15 and Section 16 of Enrolled Senate Bill 1122.

As an initial matter, Senate Bill 1122 adds conditions and restrictions to funds that have been previously appropriated and is therefore subject to my scrutiny and line-item veto authority.

Although I applaud the intent of this legislation, and remain committed to government accountability, transparency, and efficiency, Sections 15 and 16 of Senate Bill 1167 impose a statutory prohibition on one statewide elected official and impedes the State Department of Education (“SDE”) from fulfilling its duties and obligations to our students.

In Section 15, the Legislature improperly asserts itself in SDE’s discretion over federal grant applications by requiring joint approval to withdraw from certain grants from both the President Pro Tempore of the Senate and the Speaker of the House of Representatives. I am not aware of another state agency with such restrictions, and the Legislature’s insertion in this process is an improper intrusion into an independent executive function.

Section 16 would prevent SDE from using any funds, appropriated or otherwise, for securing media interviews, public relations, or other public promotions except for participation in federal grant programs. The plain meaning of this language is unclear, but it is reasonable to assume that it could be interpreted to prevent SDE from recruiting teachers to teach our school children; prevent SDE from addressing constituent concerns’ and prevent any number of routine public communications needed for a state agency overseeing thousands of employees and a majority of our students.

For these reasons, I have vetoed Section 15 and Section 16 of Enrolled Senate Bill SB 1122.

ENROLLED SENATE BILL NO. 1399:

Pursuant to the authority vested in me by Section 12 of Article VI of the Oklahoma Constitution, I have vetoed portions of Section 3 of Enrolled Senate Bill 1399.

Senate Bill 1399 adds conditions and restrictions to funds that have been previously appropriated and is subject to my scrutiny and line-item veto authority. Because the Bill includes the formation of a board with an unconstitutional makeup, allowing legislative usurpation of an executive function, I have vetoed the unlawful portions of Section 3.

Pursuant to Article VI, Section 12 of the Oklahoma Constitution, the remainder of Enrolled Senate Bill 1399 shall have the force and effect of law according to it's original provisions.
