FY'16 Carryover and Refund by Funding Source						
	Appropriations	Federal	Revolving	Local	Other*	Total
FY'16 Carryover						
FY'16 GR Refund**	\$584,964					\$584,964

*Source of "Other" and % of "Other" total for each.

**Indicate how the FY'16 General Revenue refund was budgeted
 Budgeted in Administration for one time purchases of equipment and vehicles for the agency. Included in budget numbers shown above.

What Changes did the Agency Make between FY'16 and FY'17?

1.) Are there any services no longer provided because of budget cuts?
 Reduced services of Consumer Protection inspections. In addition, Animal Industry no longer performs rodeo bull testing and no longer issues gargabe feeding permits for animals.

2.) What services are provided at a higher cost to the user?
 Very Minimal increases in Laboratory Fees for FY-16, otherwise, no higher cost of services.

3.) What services are still provided but with a slower response rate?
 Divisions are not able to make as many inspections, mail outs are reduced, larger districts for inspector to cover and increased workload causing turnaround time to increase.

4.) Did the agency provide any pay raises that were not legislatively/statutorily required? If so, please provide a detailed description in a separate document.
 No, the agency is generally below all pay study recommendations. Our law enforcement investigators were omitted from FY-15 pay increases received by employees of other law enforcement agencies. These officers were given a minimal increase in FY-16 to compensate for statutory law enforcement raises.

FY'18 Top Five Appropriation Funding Requests

	\$ Amount
Request 1: Provide adequate cash (fund 576) in July to pay Rural Fire Operational Grants required by statute to be paid by Sept. 1st. \$3,286,791 total	\$0
Request 2: Fill 3 currently vacant forest ranger positions	\$168,000
Request 3: lab equipment - 50 pound comparator and stomacher and service agreements for equipment	\$50,000
Request 4: Fire Equipment purchases - Fire fighting Dozer and Wildland firefighting engines.	\$235,000
Request 5: employee pay to cover insurance increases	\$500,000
Total Increase above FY-18 Request	953,000

How would the agency handle a 5% appropriation reduction in FY'18?

A reduction in operating budgets will lead to reduced services to citizens of the state. All legislative pass throughs will be reduced by 5%.

How would the agency handle a 7.5% appropriation reduction in FY'18?

A reduction in operating budgets will lead to more greatly reduced services. Reduced services in the areas of Animal Health, Food Safety, Rural Fire Protection, and Consumer Protection Services will have a negative impact on citizens as previously provided services will not be available. All legislative pass throughs will be reduced by 7.5%

How would the agency handle a 10% appropriation reduction in FY'18?

In addition to reduced critical services, it will be extremely difficult for the Department of Agriculture to meet match requirements to receive federal reimbursements. These reimbursements provide approximately 19% of the funding for agency programs and operations. All legislative pass troughs will be reduced by 10%.

Is the agency seeking any fee increases for FY'18?

	\$ Amount
Increase 1 Increase in Pesticide registration fee dedicated to pesticide programs and increase in unwanted pesticide disposal efforts	\$500,000
Increase 2 N/A	\$0
Increase 3 N/A	\$0

What are the agency's top 2-3 capital or technology (one-time) requests, if applicable?

Federal Government Impact

- 1.) How much federal money received by the agency is tied to a mandate by the Federal Government?**
As opposed to mandates, most of our federal money is from reimbursements from cooperative agreements. The agency provides for: Animal Health, Forestry education, Food Safety inspections for which federal reimbursement is received for some part of the cost.
- 2.) Are any of those funds inadequate to pay for the federal mandate?**
No, the services provided are a choice made by the agency.
- 3.) What would the consequences be of ending all of the federal funded programs for your agency?**
The results would be catastrophic. Animal Health, Food Safety, Wildlife Services, Forestry, Consumer Protection Services, Wildfire suppression and Ag Statistics all depend on federal funding to provide services.
- 4.) How will your agency be affected by federal budget cuts in the coming fiscal year?**
Federal budget cuts would lead to reduced services. To date, Food Safety, Animal Health and Fire Protection have received high priority at the federal level.
- 5.) Has the agency requested any additional federal earmarks or increases?**
The agency is always seeking ways to increase Federal reimbursements however, those options are limited.

Division and Program Descriptions

01 Administration
 Human Resources
 Finance
 Purchasing
 General Services
 Investigative Services
 Livestock Market Auditor

05 General Counsel
 Advises and represents the Department in all legal matters.
 Also licenses and regulates pet breeders, protect consumers and ensure the proper care and well being of pets.
 Also Director of the new EPA delegation for AGPDES.

07 AEMS
 Protect Oklahoma's water and environment from possible contamination from animal waste.
 Concentrated Animal Feeding Operations (CAFO)
 Swine Feeding Operations
 Poultry Feeding Operations
 Poultry Waste Applicators
 Agricultural Compost and Dead Animal Disposal

09 Ag. Statistics
 Ag. Statistics collects, measures, and disseminates timely agricultural statistics regarding Oklahoma's agricultural production in order to keep farmers, ranchers, agri-business, and other state and federal agencies up-to-date on the current agricultural production and price situation.

11 Forestry
 Services provided to citizens for forest resource management and protection, urban forestry, forest water quality and environmental education. Forestry also is statutorily designated as responsible for wildland fire protection.

21 Animal Industry
 Responsible for the detection, eradication, prevention and control of livestock, poultry, and aquaculture diseases and parasites.

<p>Monitor movement of animals and poultry into, through and out of Oklahoma. Prepared to respond quickly and appropriately in the event of a foreign animal disease emergency or an agroterrorist attack on the state agriculture infrastructure.</p>
<p>31 Market Development Assists the Oklahoma food and agricultural industry to produce, process and merchandise agricultural products. Also coordinates rural economic development activities, farm to school initiative, agritourism program, and distribution and implementation of K-8 educational materials designed to improve ag literacy.</p>
<p>41 Consumer Protection Services Responsible for providing consumer protection services to citizens in the following major areas: Pesticides, package weights, pricing, apiary inspection, agricultural liming materials, animal feeds, fertilizers, ornamental plants free from insects and plant disease, seed, soil amendments, samples test for laboratory analysis. Environmental programs to protect surface and ground water, pollution prevention, endangered species and worker protection. Complaint investigation for proper pesticide use. Commercial pesticide training and licensing for individuals and companies. Commercial scale inspection and testing. Inspection of anhydrous ammonia fertilizer equipment. Audit of state licensed grain warehouses.</p>
<p>51 Wildlife Cooperative program between ODAFF and the Animal and Plant Health Inspection Service of the USDA and is responsible for responding to requests from the public for assistance in controlling wildlife damage to agriculture, humans, and natural resources.</p>
<p>61 Food Safety Dairy inspection services for milk and milk by-products from the farm through all phases of production. Permit milk and milk production facilities Sample of milk and milk products as well as the water supplies to assure only safe and wholesome products are available to consumers. Egg, poultry and organic sections. Regulates egg and poultry producers, dealers and retailers to insure the quality and safety of products available to consumers. Also, certifies all organic grown/raised product facilities in Oklahoma. Inspection of all meat and poultry processing plants in the state. Inspections are performed on animals antemortem and postmortem for all animals slaughtered. Varies samples are taken throughout process to assure compliance with products standards. All product labels are checked for accuracy.</p>
<p>67 Ag. Laboratory Analytical testing conducted on all types of animal and pet feeds, fertilizers, seeds, milk, dairy products, meat and pesticides to ensure compliance with all state and federal regulations. The lab serves as the Standards Bureau and is Oklahoma's reference for all weights and measures.</p>
